SD to High-Speed Type II CF Reader/Adapter
SDCFA-C02

C-Ming Technology proudly presents you a perfect solution for converting the SD to high-speed Type II CF. SDCFA-C02 is ready for SD 3.0 and can support the new exFAT file system. This adapter is also equipped with high-speed CF interface and the access rate is faster than any similar products ever.

SDCFA-C02 supports converting SDHC, SD, MMC, miniSD (with adapter), microSD (with adapter), RS-MMC (with adapter), and even the next generation SD 3.0 card with exFAT file system to Type II CF.

SDCFA-C02 is equipped with high-speed CF interface; it can show the real speed of inserted media. Any similar products would always seriously slow down the access rate of inserted card. However, with SDCFA-C02 this situation would never occur.

SDCFA-C02 is very convenient for any digital device equipped with Type II CF socket, like Digital Camera, DSLR, PDA, Digital Photo Frame, Card Reader, Notebook, etc. Get the real power of SD card to your digital devices; just contact **C-Ming Technology** now!
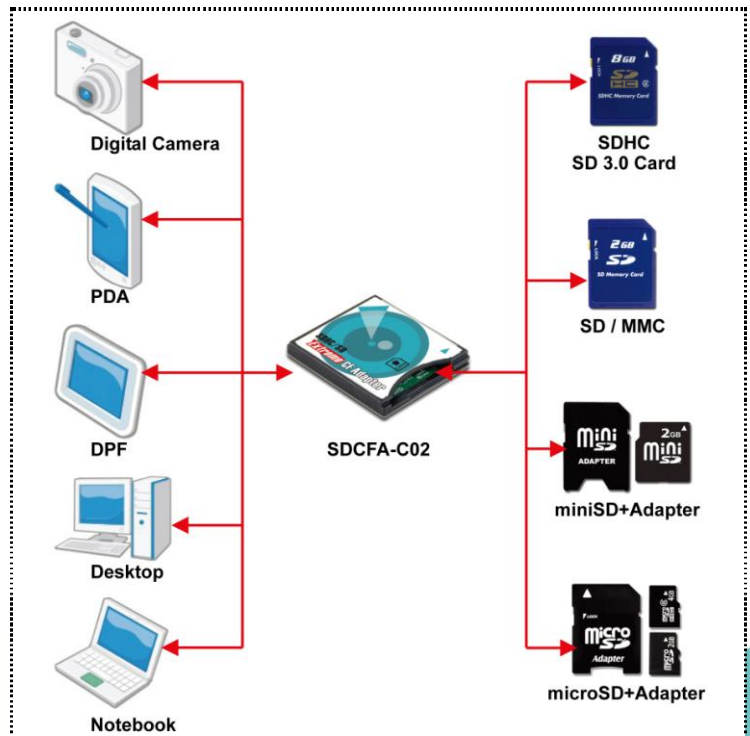

Features

- Compatible with SD system Spec 2.0 and MMC system Spec 4.0.
- SD 3.0 ready; accept SD 3.0 card with exFAT file system.
- Supports SD cards with various kinds of form factor, including SDHC / SD / miniSDHC (with adapter) / miniSD (with adapter) / microSDHC (with adapter) / microSD (with adapter) / TransFlash (with adapter).
- Supports MMC cards with various kinds of form factor.
- Supports CF true IDE mode, memory mode, and I/O mode. IDE interface supports DMA mode and PIO mode.
- High-speed Type II CF interface with extreme performance.
- Equipped with push-push SD socket for easy card insertion and extraction.

Specifications

Input Socket	SD system Spec 2.0 compatible
	MMC system Spec 4.0 compatible
	SD system Spec 3.0 ready
Output Interface	High-Speed Type II CompactFlash
Supporting Card	SDHC 4GB~32GB / Class 1-10
	SD 8MB~2GB / Class 1-10
	miniSDHC 4GB~32GB / Class 1-10 (w. adapter)
	miniSD 8MB~2GB / Class 1-10 (w. adapter)
	microSDHC 4GB~32GB / Class 1-10 (w. adapter)
	microSD 8MB~2GB / Class 1-10 (w. adapter)
	SD 3.0 Card > 32GB
Supporting OS	Windows / Mac OS / Linux
Safety Approval	CE / FCC
Dimensions	42.8 mm(L)* 36.4 mm(W)* 5.0 mm(H)
Weight	≒10g
